Re: Permit to Construct Phase 2 Expansion and
Permit to Operate Phase 1 and Reclamation Pad
WCA of High Point Construction and Demolition Landfill (C&DLF)
Guilford County, Permit No 41-16, Document ID No. 6711

Dear Mr. Smith:

Enclosed is the above reference solid waste permit that approves construction of Phase 2 of the C&DLF and continued operation of the Phase 1 and the Reclamation Pad. Requirements that must be satisfied prior to operation of Phase 2 are listed in Attachment 2.

In general, the new facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans.

Please review the conditions of the permit thoroughly. Mr. Hugh Jernigan is the Solid Waste Section Waste Management Specialist for your facility and can be reached at (336) 771-5093. If you have questions about your permit, please contact me at (919) 508-8525 or by email at pat.backus@ncmail.net.

Sincerely,

Patricia M. Backus, P.E.
Environmental Engineer
Solid Waste Section
